

# 2014 HSUS Exposition Fellowship Presentations

View and download presentations made by UC Davis/UW Shelter Medicine Fellows at the 2014 HSUS Expo. Topics include Managed Admissions, Calculating Humane Capacity, Making Double-Compartment Housing Possible, Innovative Approaches to Saving the Little Ones, and Maximizing Movement through Your Shelter.

Each year the UC Davis/ University of Wisconsin Shelter Medicine Fellows present a series of lectures at the HSUS Exposition. The PowerPoint presentations for each lecture are available for you to view and to download.
